1 For which applications should you use Form EEA3?

To apply for a document certifying permanent residence if you are an EEA national exercising Treaty rights in the UK. See part 6 of these notes for information about Treaty rights. You may include your family members in the application if they are EEA or Swiss nationals.

To apply for a document certifying permanent residence if you are a Swiss national residing in the UK. You may include your family members in the application if they are Swiss or EEA nationals.

Although Switzerland is not a Member State of the EEA the Agreement between the European Community, its Member States and the Swiss Confederation on the free movement of persons gives similar rights of residence to Swiss nationals and their family members.

To acquire the right to reside permanently in the UK, you need to have resided here in accordance with the relevant EEA Regulations for a continuous period of 5 years.

The relevant legislation for applications on this form is The Immigration (European Economic Area) Regulations 2006. You can consult it on our website at www.bia.homeoffice.gov.uk or obtain a copy from HMSO.

2 Making your application

If you follow the guidance below, it will help us to process your application without unnecessary delay.

The application form. Make sure you use the correct form for the purpose for which you are applying (details of the other EEA forms are given in part 7 of these notes). Complete the relevant sections of the form as required, and answer all the questions that apply to you and any family members included in the application. Use block capitals and black ink when completing the form. Sign and date the declaration at section 6.

Documents. Provide all relevant documents, including passport(s)/ID card(s) as appropriate. All documents should be originals. If you can't provide an original document when applying, please explain why and say when you will provide it. If you provide a certified copy, it should be a copy certified by the body or authority which issued the original document (for example, a copy of a savings passbook certified by the bank) or by a notary. To resolve your application, we need to see the originals of passport(s) or ID card(s) as appropriate, and if needed to prove a family member relationship, marriage or civil partnership certificates and birth certificates. If you cannot provide original documents, it is unlikely that we will grant your application.

Photographs. Provide 2 identical photographs of yourself and any family members included in the application. These should be taken against a light background, be clear and of good quality and must be full face. They must not show you or any family members wearing sunglasses or any head covering unless this has to be worn for religious or cultural reasons. Photographs where the covering conceals the face will not be acceptable. The photographs you provide will be reproduced in the document(s) certifying permanent residence if the application(s) is/are successful. You should therefore ensure that you are content for the photographs to be used for this purpose. **All photographs should have the name written on the back.**

How to apply. Applications on this form have to be made by post. **They cannot be made in person at any of our Public Enquiry Offices,** as we do not offer this service for applications made on Form EEA3.
